

INDIANA VIETNAM VETS GIFT

**A FREE GIFT OF GRATITUDE TO HONOR
INDIANA VETERANS
WHO SERVED DURING THE
VIETNAM WAR
1955-1975**

March 2021: A collaboration with the Indiana Department of Veterans Affairs (IDVA) & Welcome Home Vietnam Veterans (WHVV) established the Indiana Vietnam Veterans Gift as an outreach program to honor and give thanks to Indiana Residents who served during the Vietnam War years of 1955-1975.

VetsGift.com is the place to go to pre-order a FREE Gift which includes:

- ◆ A beautiful, archival-quality hardbound book, *A Time to Honor: Stories of Service, Duty, and Sacrifice*, filled with stories representing all states, all branches of service, along with a paired, expanded Indiana digital edition and interactive eBook.
- ◆ The feature DVD documentary *The Journey Home*, focusing on what America and the Vietnam Veterans have learned, and felt, since first coming home over fifty years ago. Watch 2 min. movie clip here: [The Journey Home](http://TheJourneyHome)

The WHVV Outreach Team and Community Partners are presenting the Indiana Vietnam [Vets Gift](http://VetsGift.com) all over the state. Indiana Veteran Service Officers, Indiana businesses, churches, schools and non-profit organizations are encouraged to announce and share this information, help veterans order the FREE Gift and host events to recognize & bring honor to Veterans. *No Vet Gifts will be mailed.*

The VetsGift will be presented and hand-delivered at special events, designated pick up locations and to homebound Veterans. If you or you company are interested in possibly partnering to host an outreach event or help deliver to the homebound, please send a request to: events@whvv.org

When presented the VetsGift, a photo of each Indiana Veteran will be taken to be documented and preserved within the expanded DIGITAL Indiana Edition of *A Time to Honor*. Veterans can add and make comments about their branch of service, time in basic training, unit, area served, MOS, awards, their service photo or story they wish to have preserved.

Additionally, a bookmark will be placed inside every Vets Gift to encourage Hoosier Veterans to tell their story of service through the Library of Congress. <http://loc.gov/vets>

The [Indiana Vietnam Veterans FREE Gift](http://IndianaVietnamVeteransFREEGift) will show gratitude & respect to Indiana Veterans. Similar to the Vietnam War 50th Commemoration Program, it will also provide social awareness and historical value to multiple generations about the real accounts of the Vietnam War. All over the state of Indiana, the Vietnam Vets Gift Presentations and message will reinforce the idea that it is never to late to say "Thank You" and "Welcome Home".

The Indiana Vietnam Vets Gift will be an ongoing, collaborative effort until we find, thank and repay the estimated 130,000 Indiana Vietnam Veterans with their earned benefits.
